

Mount Vernon Community Partnership Corp. (CPC)

At the Heart of the CPC Grant Writing and Fiscal Sponsorship

The CPC can assist community organizations with **grant writing**, having successfully submitted several grant applications including a \$300,000 Maine Department of Economic Development Community Development Housing Block Grant to rehabilitate unhealthy and unsafe housing in Mount Vernon, and several others (see over). The block grant allowed 17 of our citizens to rehabilitate their homes, which not only improved their lives and safety, but also improved the overall housing stock in our town. The CPC acts as a **fiscal sponsor** for Mount Vernon organizations without a non-profit designation so they may also accept donations and win grant awards.

Community Education & Outreach

CPC has been a community leader, organizing **public forums** to garner input from citizens about what is important to its residents, such as transportation for people who don't drive, aging in place, parking in the village, invasive aquatic plants, watersheds, and other environmental concerns - or any subject that comes to our attention that needs to be addressed. CPC **disseminates information** about projects that need to be completed and organizes townspeople to accomplish tasks that enhance the betterment of Mount Vernon.

The CPC has published a **business directory** every five years featuring businesses in Mount Vernon and Vienna. The newest one was published in 2018. The directory has a distribution of 1,000 and is free to the businesses and residents. Check out the Business Directory on the town's website(www.mtvernonme.org).

What is the CPC?

- CPC was founded in 1999 and received its 501(c)(3) designation in 2002.
- The CPC's purpose is to promote economic and community development for the benefit of the citizens of Mount Vernon.
- CPC is operated exclusively for charitable, educational and beneficent public purposes.
- Its members are volunteers who love Mount Vernon and work to keep what is great about the town and to improve what needs improvement.
- CPC works in partnership with the Town of Mount Vernon's Board of Selectmen and other organizations that share our mission.
