

**WINTER'S ARRIVED!
THAT MEANS SNOW AND
ICE**

**WHICH CAN BE FUN (SOMETIMES)
BUT ALSO CAUSE SLIPPING AND FALLING.**

The “Neighbors Helping” project of the Mount Vernon Community Partnership volunteers can bring buckets of sand for folks to use around their homes.

If you need a bucket of sand for your walkways and can't get it yourself, please call Tom Ward at 293-1016 or Sandy Wright at 293-2582.

Home Depot donated buckets and lids for the sand. Thanks, Home Depot!

The Town of Mount Vernon is contributing the sand. Thanks, Town of Mount Vernon!
