

## Minutes Planning Board 6/21/16

Present: Ron LaRue, John Hagelin (chair), Fred Webber, Chad Dwelley, Jeff Wiles, Brett Trefethen (minutes)

Open meeting to read and approve the minutes from May 17th.

Next item is to update the board and Mrs. Merlene Douglas on what the Maine Municipal Association states are the requirements of the road for the use of the proposed activity at her site. Mr Hagelin stated that the road would need to be inspected by an engineer in order to determine whether it meets the required (town road) standards. Hagelin shared a letter from the MMA to Selectman Crockett. MMA explains in the letter that as it applies to campgrounds it is explicitly stated in Section 6 (3) (1) that this is a necessary compliance. Board has left the decision to Mrs. Douglas to decide how to proceed. No further discussion on the item.

Meeting adjourned at 7:35.
